Form must be typed or printed clearly in black or blue ink. All applicable sections must be completed in full.

Only attach additional sheets if necessary.

The Planning and Building Services Department and the Environmental Health Department must both approve all permits for onsite sewage disposal or any type of well application. Completion and approval of this form is the first step toward issuance of a permit. Instructions for the completion of this form and instructions for the processing of any well or onsite sewage disposal application can be found on the associated process form.
