LASSEN COUNTY PLANNING COMMISSION
STAFF REPORT
January 5, 2021

FILE NUMBER: 2020-003
PROPERTY OWNER: Kerry Dowell
TYPE OF APPLICATION: Use Permit
GENERAL LOCATION: The project is located at 548-343 Babcock Cinder Road, Nubieber, CA 96068

ASSESSOR'S PARCEL NUMBER: 013-040-46
PROJECT SITE ZONING: A-1 (General Agricultural District)
GENERAL PLAN: "Extensive Agriculture" or "Intensive Agriculture" per *Lassen County General Plan, 2000*

ENVIRONMENTAL DOCUMENT: Exempt from CEQA pursuant to Sections 15061(b)(3) and 15303 of the 2020 CEQA Guidelines

APPEAL: Board of Supervisors, Lassen County Code Section 18.112.050, Appeal Period: within 10 days of Planning Commission action

ASSIGNED STAFF: Stefano Richichi, Senior Planner

AUTHORITY FOR APPLICATION:

Use Permit Ordinance, Lassen County Code Chapter 18.112
Second Housing Unit Ordinance, Lassen County Code Section 18.108.270

REGULATING AGENCIES:

<u>Agency</u>	<u>Identified Permits/Approvals</u>
Planning Commission	Use Permit Approval
Co. Planning & Building Services	Building Permits
Co. Environmental Health Department	Septic Approval

PROJECT DESCRIPTION: Proposal to construct a 1,400-square-foot site-built second dwelling unit, along with an attached 168-square-foot covered front porch and attached 96-square-foot deck.

PROJECT SITE CHARACTERISTICS and PERMITTING: Existing improvements onsite include a single-family residence with a well and septic system. The subject parcel is approximately 38.84 acres in size.

ACCESS: The project is located at 548-343 Babcock Cinder Road, Nubieber, CA 96068. Access is from Babcock Road (County Road 439), Kramer Road (County Road 413), and Babcock Cinder Road, which is not in the County-maintained system. The subject parcel is accessible by the above roads from Highway 299, which is a few miles north of the subject parcel.

SURROUNDING PROPERTIES: The subject parcel is surrounded by parcels zoned for agriculture; surrounding parcels are unimproved except that the Burlington Northern Santa Fe railroad is to the east.

	Zoning	Parcel Size (acres)	Land Use Designation (<i>Lassen County General Plan, 2000</i>)
North	E-A-A-P	96.41	“Intensive” or “Extensive Agriculture”
East	A-1	89.99	“Intensive” or “Extensive Agriculture”
South	A-1	39.35	“Intensive” or “Extensive Agriculture”
West	A-1	40	“Intensive” or “Extensive Agriculture”

GENERAL PLAN AND ZONING:

The parcel is zoned A-1 (General Agricultural District) and is designated “Intensive” or “Extensive Agriculture” by the *Lassen County General Plan, 2000*.

LASSEN COUNTY CODE: Per Lassen County Code Section 18.16.040, the A-1 zoning district allows a second single-family dwelling by use permit. Lassen County Code Chapter 18.112 et seq. establishes the regulations regarding the approval of Use Permits. The Planning Commission has the authority to approve, conditionally approve, or deny the Use Permit application.

Furthermore, according to Lassen County Code Section 18.108.270, “...in any zone on a parcel of land where there is in existence a legally-established ‘single-family dwelling,’ as defined in this title, a ‘second dwelling unit,’ may be allowed by the planning commission, upon first securing a use permit pursuant to Chapter 18.112 of [Title 18 of the Lassen County Code].” Because there is a legally-established single-family dwelling on the subject parcel, a second dwelling ay be allowed by use permit.

In addition, according to Lassen County Code Section 18.108.270(2), in zones other than R-1 zones, such second dwelling unit shall be subject to the following:

- (a) Maximum living area shall not exceed one thousand four hundred square feet, or eighty percent of the floor area of the primary dwelling, whichever is greater. Garages and other fully enclosed areas attached to the existing and proposed dwellings shall be considered part of the floor area for purposes of establishing the eighty percent maximum.
- (b) Architectural design of the second dwelling unit shall be visually compatible with, and complimentary to, the existing single-family dwelling located on the property and others in the vicinity.
- (c) One additional off-street parking space shall be required.
- (d) Second dwelling unit must be individually approved by the county health department.
- (e) Design review shall be required.

Unless the Planning Commission finds otherwise, parking at the site is adequate such that an additional off-street parking space is not necessary. This use permit application also serves the purposes of design review. The proposed project is consistent with the architectural requirements found at Lassen County Code Section 18.108.235.¹ The Planning Commission has the authority to approve deviations from the County's architectural standards.

LOCAL GOVERNMENTAL SERVICES:

- Fire protection is provided by the California Department of Forestry and Fire Protection (Cal Fire) and by the Big Valley Fire Protection District
- Police protection is provided by the Lassen County Sheriff's Department

ENVIRONMENTAL DOCUMENT: The Environmental Review Officer of Lassen County has determined that this proposal is exempt from the California Environmental Quality Act under Sections 15061(b)(3) and 15303 of the 2020 CEQA Guidelines. In addition to the "common sense" exemption, the other exemption applies for the conversion of a second dwelling unit in a residential zone, respectively.

FINDINGS AND RECOMMENDATIONS BY TAC: The Technical Advisory Committee (TAC) met on December 3, 2020, and has developed recommended findings and conditions for consideration by the Planning Commission. The recommended findings and conditions can be found in the memorandums to the TAC, from its members (attached), as well as in the attached draft approving resolution.

¹ According to the applicant, the proposed residence has an 8/12 roof pitch, at least 12-inch roof overhangs on the sides and gabled ends, and wood composite siding.

RESOLUTION NO. _____

RESOLUTION OF THE LASSEN COUNTY PLANNING COMMISSION APPROVING
USE PERMIT # 2020-003, DOWELL

WHEREAS, the Planning Commission of Lassen County, after due notice and a public hearing conducted January 5, 2021, has considered Use Permit Application #2020-003, filed by Kerry Dowell, to construct a 1,400-square-foot site-built second dwelling unit, along with an attached 168 covered front porch and attached 96-square-foot deck, at 548-343 Babcock Cinder Road, Nubieber, CA 96068 (APN: 013-040-46); and

WHEREAS, Lassen County Code Section 18.112.100 sets forth mandatory findings that the Lassen County Planning Commission must make when considering a use permit application; and

WHEREAS, the Environmental Review Officer has determined that this proposal is exempt from the California Environmental Quality Act under Sections 15061(b)(3) and 15303 of the 2020 CEQA Guidelines.

NOW, THEREFORE, BE IT RESOLVED AS FOLLOWS:

1. The foregoing recitals are true and correct.
2. The Planning Commission finds as follows:
 - a. That the proposed project is consistent with the *Lassen County General Plan, 2000*, Lassen County Code Chapter 18.16, Section 18.108.270, and the provisions of Lassen County Code Chapter 18.112, which establishes the regulations regarding the issuance of Use Permits.
 - b. That the project, as conditioned, will not, under the circumstances of the particular case, be detrimental to the health, safety, peace, morals, comfort, and general welfare of persons residing or working in the neighborhood of such use, nor be detrimental or injurious to property and improvements in the neighborhood or to the general welfare.
3. The Lassen County Planning Commission hereby adopts the Technical Advisory Committee's findings, contained in the Planning Commission staff report.
4. The Planning Commission hereby concurs with the Environmental Review Officer that the project qualifies for exemptions, pursuant to Sections 15061(b)(3) and 15303 of the 2020 CEQA Guidelines.
5. The Planning Commission hereby approves Use Permit # 2020-003, subject to the conditions of approval set forth in Exhibit "A" attached hereto.

RESOLUTION NO. _____

PASSED AND ADOPTED at a regular meeting of the Planning Commission of the County of Lassen, State of California, on the 5th day of January, 2021, by the following vote:

AYES: _____

NOES: _____

ABSTAIN: _____

ABSENT: _____

Chairman
Lassen County Planning Commission

ATTEST:

Maurice L. Anderson, Secretary
Lassen County Planning Commission

EXHIBIT "A"

CONDITIONS OF APPROVAL
USE PERMIT #2020-003

1. Noncompliance with any of the following use permit conditions shall constitute grounds for revocation of the use permit (pursuant to Lassen County Code Section 18.112.060).
2. The Use Permit shall be granted for the use as approved by the Planning Commission. Substantial revisions and/or expansions of the project will require a new Use Permit, subject to the approval of the Planning Commission.
3. The applicant must secure approval from the Environmental Health Department for the second housing unit and its related septic system.
4. The second housing unit shall not be painted in florescent, luminescent, or other extreme colors which detract from the appearance of the neighboring property, the community as a whole or the natural environment.
5. Prior to issuance of an Authorization to Operate or any residential occupancy, all required building permits must be secured and pass a final inspection. Residential occupancy is not allowed until an appropriate Certificate of Occupancy is issued.

RESOLUTION NO. _____

RESOLUTION OF THE LASSEN COUNTY PLANNING COMMISSION DISAPPROVING
USE PERMIT # 2020-003, DOWELL

WHEREAS, the Planning Commission of Lassen County, after due notice and a public hearing conducted January 5, 2021, has considered Use Permit Application #2020-003, filed by Kerry Dowell, to construct a 1,400-square-foot stick-built second dwelling unit, along with an attached 168 covered front porch and attached 96-square-foot deck, at 548-343 Babcock Cinder Road, Nubieber, CA 96068 (APN: 013-040-46); and

WHEREAS, Lassen County Code Section 18.112.100 sets forth mandatory findings that the Lassen County Planning Commission must make when considering a use permit application; and

WHEREAS, the California Environmental Quality Act does not apply to projects which a public agency rejects or disapproves, pursuant to Sections 15061(4) and 15270(a) of the Guidelines.

NOW, THEREFORE, BE IT RESOLVED AS FOLLOWS:

1. The foregoing recitals are true and correct.
2. The Planning Commission finds as follows:
 - a. That the proposed project is not consistent with the *Lassen County General Plan, 2000*, Lassen County Code Chapter 18.16, Section 18.108.270, and the provisions of Lassen County Code Chapter 18.112, which establishes the regulations regarding the issuance of Use Permits.
 - b. That the project will, under the circumstances of the particular case, be detrimental to the health, safety, peace, morals, comfort, and general welfare of persons residing or working in the neighborhood of such use, and/or be detrimental or injurious to property and improvements in the neighborhood or to the general welfare.
3. _____
4. The Planning Commission hereby disapproves Use Permit # 2020-003.

RESOLUTION NO. _____

RE: **USE PERMIT #2020-003, Dowell.** Proposal to construct a 1,400-square-foot stick-built second dwelling unit, along with an attached 168 square-foot front porch. The subject parcel is zoned A-1 (General Agricultural District) and has either an "Intensive Agriculture" or "Extensive Agriculture" land use designation in the *Lassen County General Plan, 2000*. The proposed project is exempt from the California Environmental Quality Act (CEQA) under Sections 15061(b)(3) and 15303 of the 2020 CEQA Guidelines. The subject parcel is located approximately 1.5 miles south of Nubieber at 548-343 Babcock Cinder Road, Nubieber, CA 96068. APN: 013-040-46. Staff Contact: Stefano Richichi, Senior Planner

The Planning Division of the Lassen County Department of Planning and Building Services finds as follows:

1. The subject parcel is zoned A-1 (General Agricultural District).
2. The subject parcel has either an "Intensive Agriculture" or "Extensive Agriculture" land use designation in the *Lassen County General Plan, 2000*.
3. The existing meadow at the subject parcel is within the 100-year flood zone as described by the Federal Emergency Management Agency (FEMA), as it appears to contain a spring; however, the location of the proposed second residence is not in the 100-year flood zone.
4. The subject parcel is approximately 38.84 acres in size.
5. The applicant is proposing to construct a 1,400-square-foot stick-built second dwelling unit, along with an attached 168 square-foot front porch.
6. According to Lassen County Code Section 18.108.270, "...in any zone on a parcel of land where there is in existence a legally-established 'single-family dwelling,' as defined in this title, a 'second dwelling unit,' may be allowed by the planning commission, upon first securing a use permit pursuant to Chapter 18.112 of [Title 18 of the Lassen County Code]."
7. Furthermore, according to Lassen County Code Section 18.108.270(2), in zones other than R-1 zones, such second dwelling unit shall be subject to the following:
 - (a) Maximum living area shall not exceed one thousand four hundred square feet, or eighty percent of the floor area of the primary dwelling, whichever is greater. Garages and other fully enclosed areas attached to the existing and proposed dwellings shall be considered part of the floor area for purposes of establishing the eighty percent maximum.

- (b) Architectural design of the second dwelling unit shall be visually compatible with, and complimentary to, the existing single-family dwelling located on the property and others in the vicinity.
 - (c) One additional off-street parking space shall be required.
 - (d) Second dwelling unit must be individually approved by the county health department.
 - (e) Design review shall be required.
- 8. Unless the Planning Commission finds otherwise, parking at the site is adequate such that an additional off-street parking space is not necessary.
 - 9. This use permit application also serves the purposes of design review.
 - 10. The proposed project meets the architectural requirements found at Lassen County Code Section 18.108.235¹.
 - 11. The proposed project is consistent with the development standards set forth for the A-1 district found at Lassen County Code Section 18.16.060.
 - 12. Pursuant to Lassen County Code Section 18.112.030, the Technical Advisory Committee shall review all use permit applications (and amendments) and shall prepare recommended conditions of approval for consideration by the County (in this case, the Planning Commission).
 - 13. The land use element of the *Lassen County General Plan, 2000* describes the “Extensive Agriculture” land use designation as follows:

Extensive Agriculture

“The Extensive Agriculture designation primarily represents typical rangeland areas with grazing and general rangeland values, natural wildlife habitat, open space and scenic values, and/or low intensity outdoor-oriented recreational values. It also includes general forest areas, timber production areas and related uses. Large parcel sizes are required to support and protect resource values. Except in special “open space” areas, it may accommodate limited dispersed residential uses; however, such uses will typically be related and secondary to agricultural and other resource based land uses, including dispersed recreation and mining. Subject to County permit requirements and the provisions of related elements of the General Plan, areas designated Extensive Agriculture may also accommodate natural resource-related production facilities, including but not limited to: mineral extraction and processing, including asphalt and similar plants; saw mills and logging operations; and facilities for the processing of agricultural products.

¹ According to the applicant, the proposed residence has 12-inch roof overhangs on the sides and gabled ends, wood composite siding, and an 8 in 12 roof pitch.

Corresponding Zoning: 'U-C' Upland Conservation District, 'U-C-2' Upland Conservation/Resource Management District; 'TPZ' Timber Production Zone"

14. The land use element of the *Lassen County General Plan, 2000* describes the "Intensive Agriculture" land use designation as follows:

Intensive Agriculture

The Intensive Agriculture designation identifies lands devoted to or having high suitability potential for the growing of crops and/or the raising of livestock on natural or improved pasture land. It requires the provision of parcel sizes large enough to support agricultural land use and production. Intensive Agriculture areas also provide a variety of open space resources including wildlife habitat and scenic resources...

Corresponding Zoning: "E-A", Exclusive Agriculture District; "A-3", Agricultural District; "U-C", Upland Conservation District; "U-C-2", Upland Conservation/Resource Management District.

15. The following goals, objectives, implementation measures and descriptions from the *Lassen County General Plan, 2000*, also pertain to the proposal:

Designation of Land Uses

- Implementation Measure LU-A: The County shall utilize the zoning provisions of the Lassen County Code to adopt and enforce corresponding zoning districts, and to consider the approval of related use permits and land divisions, which implement and are compatible with the policies, general land uses and programs specified in this Land Use Element and in area plans adopted as part of the General Plan.*
- Implementation Measure LU-B: The County recognizes the need and legal requirements for making land use decisions which are consistent with the General Plan.*

1. ISSUE: Land Use Compatibility

- GOAL L-4: Compatibility between land use types by providing for complementary mixtures and patterns of land uses.*
- LU-6 POLICY: The County recognizes general plan land use designations and consistent zoning as the appropriate and primary tools for attempting to achieve and maintain compatibility of land uses within the context of the County's land use authority and local control.*

2. ISSUE: Growth and Development

- GOAL L-5: Orderly, contiguous growth and appropriate land-conserving densities as an alternative to sprawl and "leap-frog" development.*

- *LU-8 POLICY: Future residential development should consist of the expansion of, or be located adjacent to, existing communities, designated rural centers, and established residential areas. An increasing number of small, isolated housing tracts in outlying areas shall be discouraged since they are difficult to provide with urban services and they tend to disrupt the surrounding rural and productive activity of ranches, forests and farms.*

3. ISSUE: Housing

- *GOAL L-7: Consistent with the Housing Element, maintain an adequate amount of housing and diverse residential opportunities and land uses which are located in consideration of the availability of support services and infrastructure, avoidance of conflicting land uses, and the minimization of development impacts.*
- *LUI7 POLICY: The County shall, after confirmation of the area's appropriateness for such use and consideration of other resource values, designate and zone appropriate areas for residential development.*
- *LUI8 POLICY: Pursuant to the Housing Element, the County will help provide adequate sites to be designated in the General Plan and zoned for residential land use to meet the objectives of the Housing Element, and will help facilitate the expansion of needed water, sewer, and fire protection services.*
- *LUI9 POLICY: Subject to case-by-case review, the County shall allow the use of second units except in cases where it is demonstrated that the proposed second units will have specific adverse impacts on public health, safety, and community welfare.*
- *Implementation Measure LU-L: The County will provide permitting processes consistent with state law to consider and allow second housing units. The processes will include development standards and requirements to insure that allowed second units will not have significant adverse impacts to the public's health, safety and welfare. The permitting processes may have special provisions for second units intended for the sole occupancy of up to two adult persons who are 62 years of age or over.*
- *Implementation Measure LU-M: If the County identifies areas where the permitting of second units will have specific adverse impacts on public health, safety, and community welfare, the County may, by ordinance, preclude the use of second units in those areas.*
- *LU20 POLICY: The County shall refer to the Housing Element for applicable policies pertaining to the development of housing.*

4. ISSUE: Neighborhood Quality

- *GOAL L-8: Neighborhoods which offer safe and pleasant living environments for the residents of Lassen County.*

- *LU21 POLICY: The County supports the need to maintain safe and pleasant living environments and, in consideration of related land use decisions, shall require mitigation of impacts which significantly threaten such qualities.*
- *GOAL L-9: Protection of the open, rural character of the county.*
- *LU22 POLICY: The County shall encourage expansion of existing residential areas and discourage sprawl and scattered development.*
- *GOAL L-10: Reasonable development and design review standards which protect communities from poorly designed development which detracts from the overall quality of the area.*

16. The Planning Commission will determine whether the proposed project is consistent with the *Lassen County General Plan, 2000*, unless the proposed project is appealed to the Board of Supervisors, in which case, said body would determine the above.

The Planning Division of the Lassen County Department of Planning and Building Services recommends the following conditions be placed on the project if approved:

1. Noncompliance with any of the following use permit conditions shall constitute grounds for revocation of the use permit (pursuant to Lassen County Code Section 18.112.060).
2. The Use Permit shall be granted for the use as approved by the Planning Commission. Substantial revisions and/or expansions of the project will require a new Use Permit, subject to the approval of the Planning Commission.
3. The applicant must secure approval from the Environmental Health Department for the second housing unit and its related septic system.
4. The second housing unit shall not be painted in florescent, luminescent, or other extreme colors which detract from the appearance of the neighboring property, the community as a whole or the natural environment.
5. Prior to issuance of an Authorization to Operate or any residential occupancy, all required building permits must be secured and pass a final inspection. Residential occupancy is not allowed until an appropriate Certificate of Occupancy is issued.

FROM: Don Willis, Lassen County Surveyor

RE: Use Permit No. 2020-003 – Kerry Dowell.
Assessor's Parcel Number: 013-040-46.

LASSEN COUNTY SURVEYOR FINDS AS FOLLOWS:

1. The subject parcel is known as Assessor's Parcel Number 013-040-46 and title is currently vested in Kerry Dowell, an unmarried man, as shown at an Interspousal Quitclaim Deed recorded on March 6, 2015 as Document No. 2015-00853 of the Official Records of Lassen County, California.
2. The subject parcel is located in a portion of Section 4, Township 37 North, Range 7 East, Mount Diablo Base and Meridian, in the Nubieber area of Lassen County, California.
3. The legal description for the parcel noted in Findings Item Number One above describes the subject property as that portion of the Southwest one-quarter of the Northeast one-quarter (SW1/4 NE1/4) of said Section 4, lying southwesterly of a line drawn parallel with and distant 100.0 feet southwesterly of, as measured at right angles, to the Burlington Northern Railroad Company's main track centerline. A second parcel is also described in the legal description as the Southeast one-quarter of the Northwest one-quarter (SE1/4 NW1/4) of said Section 4, however this is a separate legal parcel which has been issued a Certificate of Compliance. This is evidenced by Certificate of Compliance No. 2010-039 which was recorded on July 15, 2010 as Document No. 2010-03489 of the Official Records of Lassen County.
4. The subject parcel was created in compliance with the provisions of the Subdivision Map Act and local ordinances. This is based on Lot Line Adjustment No. 920032 which created the subject parcel. The adjustment was approved by the Lassen County Technical Advisory Committee on September 15, 1992 and the Consent of Record Owners document was recorded on October 26, 1992 in Book 564, Page 508, of the Official Records of Lassen County. Resultant Parcel Four of this document describes the subject property.
5. The subject parcel is accessed by Babcock Road, County Road No. 439, which is in the County maintained road system and traverses through the easterly portion of the subject

property. Babcock Cinder Road also traverses through the property however this is no longer a County maintained road because it has been removed from the County maintained road system per the Lassen County Public Works Department. The current Assessor's Parcel Map (13-04) shows this road as being County maintained and it has been requested that this designation be removed.

**LASSEN COUNTY SURVEYOR RECOMMENDS THE FOLLOWING CONDITIONS
FOR USE PERMIT NO. 2020-003 (KERRY DOWELL):**

1. None.

FILE NO. _____

Form must be typed or printed clearly in black or blue ink. This supplement consists of three pages.

Please complete the following application supplement and attach to the Use Permit Application. Answer all questions that are related to the proposed use.

1. **Proposed timeframe for the project and completion of each major phase if applicable (i.e., when structures and improvements will be completed):** Project should be completed with in 24 months.

2. **Describe surrounding land uses (e.g., residential, commercial, agricultural, etc.). Please be as specific as possible.**

North: Agricultural and grazing

South: Agricultural and grazing

East: Railroad, Agricultural and grazing

West: Agricultural and grazing

3. **Describe existing structures and improvements including their square footage:** manufactured home - 1,780 sq.ft, well house - 36 sq.ft.

4. **Maximum height (in feet) of existing structures:** manufactured home - 16 ft, well house - 10'6"

5. **Maximum height of proposed Dwelling:** 16 feet

6. **Describe any existing structures to be removed:** None

7. **Proposed Dwelling Type:** Conventional Home ☒ Manufactured Home ☐*

8. **If a manufactured, manufactured date:** _____

*Note: Manufactured homes must have been manufactured on or after September 1, 2008, to be placed in a Fire Responsibility Area designated as a SRA (State Responsibility Area) or a LRA (Local Responsibility Area) with a "very high" fire hazard designation. If not in an SRA area or a LRA-very high, the date of manufacture can be no more than 20 years prior to the date of building permit application. (Ord. 467-AF)

Type of foundation: Pier set ☐ Permanent ☐ Other ☐

9. **Proposed Dwelling Dimensions:** 40' x 50' **Proposed Dwelling Area (sq ft):** 2,000 sq.ft

SEP 21 2020

10. Will the project include or result in grading, including anticipated grading at project buildout?

☐ Yes ☒ No If yes, approximate total surface area to be disturbed by site grading:
_____ sq. ft. or _____ acres

Quantity of cut: _____ cubic yards Quantity of fill: _____ cubic yards

11. Percentage of site to be covered by impervious surfaces (e.g., roads, driveways, and structures), including estimated impervious surfaces at project buildout: None

Number of proposed parking spaces: None

(Parking requirements are found at chapter 18.104 of the Lassen County Code.)

Describe surfacing of parking area: None

12. Describe proposed exterior lighting, including location (attach lighting diagram if applicable): None

13. Please attach a detailed plot plan, drawn to scale, showing all existing and proposed improvements.

14. Please indicate how the following services will be provided to serve the project, including name of the service provider:

Hi Kerry,

I don't think the picture attached. Do you mind resending it?

Hi Stefano,

The roof pitch on the second dwelling I wish to build on my property is 8-12. The eve overhang will be 12" plus and the siding I have chosen is a wood composite very similar to T-11 but a horizontal pattern. It also comes with a glazed exterior finish like T-11

Thank you,
Kerry Dowell

Hi Kerry,

I'm working on the memo for your project, and noticed that your second residence would be subject to the following requirements (although if your proposal deviates from said requirements, the Planning Commission has the authority to approve your application anyway). I've highlighted especially relevant sections:

18.108.235 Architectural requirements.

(1) The minimum architectural design criteria within this section shall apply to the following:

(A) Residential use structures to be constructed or placed within R-1, R-2, R-3 or A-2 zoning districts;

(B) Residential use structures within design review combining districts;

(C) Residential use structures within areas designated as scenic highway corridors;

(D) Additional dwellings which may only be allowed with the approval of a use permit or a certificate of conditional use as set forth elsewhere in this title.
