LASSEN COUNTY PLANNING COMMISSION
STAFF REPORT
June 1, 2021

FILE NUMBER:	UP 2021-004
PROPERTY OWNER:	Leonard and Phyllis Santos
APPLICANT:	Alonzo and Amber Nalls
TYPE OF APPLICATION:	Use Permit
GENERAL LOCATION:	The project is located at 465-815 Conrad Road, Janesville, CA 96114
ASSESSOR'S PARCEL NUMBER:	129-660-17
PROJECT SITE ZONING:	A-2-B-4 (Agricultural Residential 4-Acre Building Site Combining District)
GENERAL PLAN:	"Rural Residential" per <i>Lassen County General Plan, 2000</i> , as amended by the <i>Janesville Planning Area Amendment, 1993</i>
ENVIRONMENTAL DOCUMENT:	Exempt under Section 15303 of the CEQA Guidelines
APPEAL:	Lassen County Code Section 18.112.050 states that "any person not satisfied with the action of the planning commission... may, within ten days of the notice of the commission's action, appeal in writing to the board of supervisors."
ASSIGNED STAFF:	Nancy McAllister, Associate Planner

AUTHORITY FOR APPLICATION:

Use Permit Ordinance, Lassen County Code Chapter 18.112
Second Housing Unit Ordinance, Lassen County Code Section 18.108.270

REGULATING AGENCIES:

Agency

Planning Commission
Co. Planning & Building Services
Co. Environmental Health Department

Identified Permits/Approvals

Use Permit Approval
Building Permits
Septic Approval

PROJECT DESCRIPTION: Proposal to construct a second dwelling unit, under 1,400 square-feet in size.

PROJECT SITE CHARACTERISTICS: The subject parcel is 4.21 acres in size and is located approximately 9 miles southeast of Susanville and 200 feet west of Highway 395 at 465-815 Conrad Road, Janesville, CA 96114 (APN 129-660-17). The subject parcel is zoned A-2-B-4 (Agricultural Residential 4-Acre Building Site Combining District) and has a "Rural Residential" land use designation in the *Lassen County General Plan, 2000*, as amended by the *Janesville Planning Area Amendment, 1993*.

APN 129-660-17 is in the State Responsibility Area (SRA) for fire protection and is located within the Federal Emergency Management Agency (FEMA) Flood Zone “X” (Panel #06035C2225D, 9/3/2010), which is not part of the 100-year flood zone as described by FEMA.

Existing improvements onsite include one single-family residence, a barn, a septic system, and two wells.

ACCESS: The subject parcel directly abuts Conrad Lane, which is in the County maintained road system.

SURROUNDING PROPERTIES: The subject parcel is surrounded mostly by similarly-sized parcels, although to the north, there are several parcels that are 10.43 acres in size. All of the immediately surrounding parcels are zoned U-C-2 (Upland Conservation/Resource Management District) and are unimproved. Lands to the east are managed by the Bureau of Land Management.

	Zoning	Parcel Size (acres)	Land Use Designation (<i>Lassen County General Plan, 2000</i>)
North & Northeast	A-2-B-4*	12.5, 5.66	“Rural Residential”
East & Southeast	C-2-D**	0.5, 2.2	“Commercial”
South & Southwest	A-2-B-4*	4.03, 4	“Rural Residential”
West	A-2-B-4*	4	“Rural Residential”

*A-2-B-4 (Agricultural Residential 4-Acre Building Site Combining District)

**C-2-D (General Commercial Design Combining District)

GENERAL PLAN: The subject parcel has a “Rural Residential” land use designation pursuant to the *Lassen County General Plan, 2000*, as amended by the *Janesville Planning Area Amendment, 1993*, which is described in said plan, with relevant land use goals and policies, as outlined in findings number twelve and thirteen of the May 6, 2021, Planning memorandum to the Technical Advisory Committee.

LASSEN COUNTY CODE: The subject parcel is zoned A-2-B-4 (Agricultural Residential 4-Acre Building Site Combining District).

Lassen County Code Chapter 18.112 et seq. establishes the regulations regarding the approval of Use Permits. The Planning Commission has the authority to approve, conditionally approve, or deny the Use Permit application.

According to Lassen County Code Section 18.108.270, “...in any zone on a parcel of land where there is in existence a legally-established ‘single-family dwelling,’ as defined in this title, a ‘second dwelling unit,’ may be allowed by the planning commission, upon first securing a use permit pursuant to Chapter 18.112 of [Title 18 of the Lassen County Code].” Because there is a legally-established single-family dwelling on the subject parcel, a second dwelling may be allowed by use permit.

In addition, according to Lassen County Code Section 18.108.270(2), in zones other than R-1 zones, such second dwelling unit shall be subject to the following:

- a. Maximum living area shall not exceed one thousand four hundred square feet, or eighty percent of the floor area of the primary dwelling, whichever is greater. Garages and other fully enclosed areas attached to the existing and proposed dwellings shall be considered part of the floor area for purposes of establishing the eighty percent maximum.
- b. Architectural design of the second dwelling unit shall be visually compatible with, and complimentary to, the existing single-family dwelling located on the property and others in the vicinity.
- c. One additional off-street parking space shall be required.
- d. Second dwelling unit must be individually approved by the county health department.
- e. Design review shall be required.

Unless the Planning Commission finds otherwise, parking at the site is adequate such that an additional off-street parking space is not necessary. If the proposed design for the second dwelling deviates from the development standards set forth for the A-2 zoning district or the architectural requirements found at Lassen County Code Section 18.108.235, a design review application shall be submitted for approval.

LOCAL GOVERNMENTAL SERVICES:

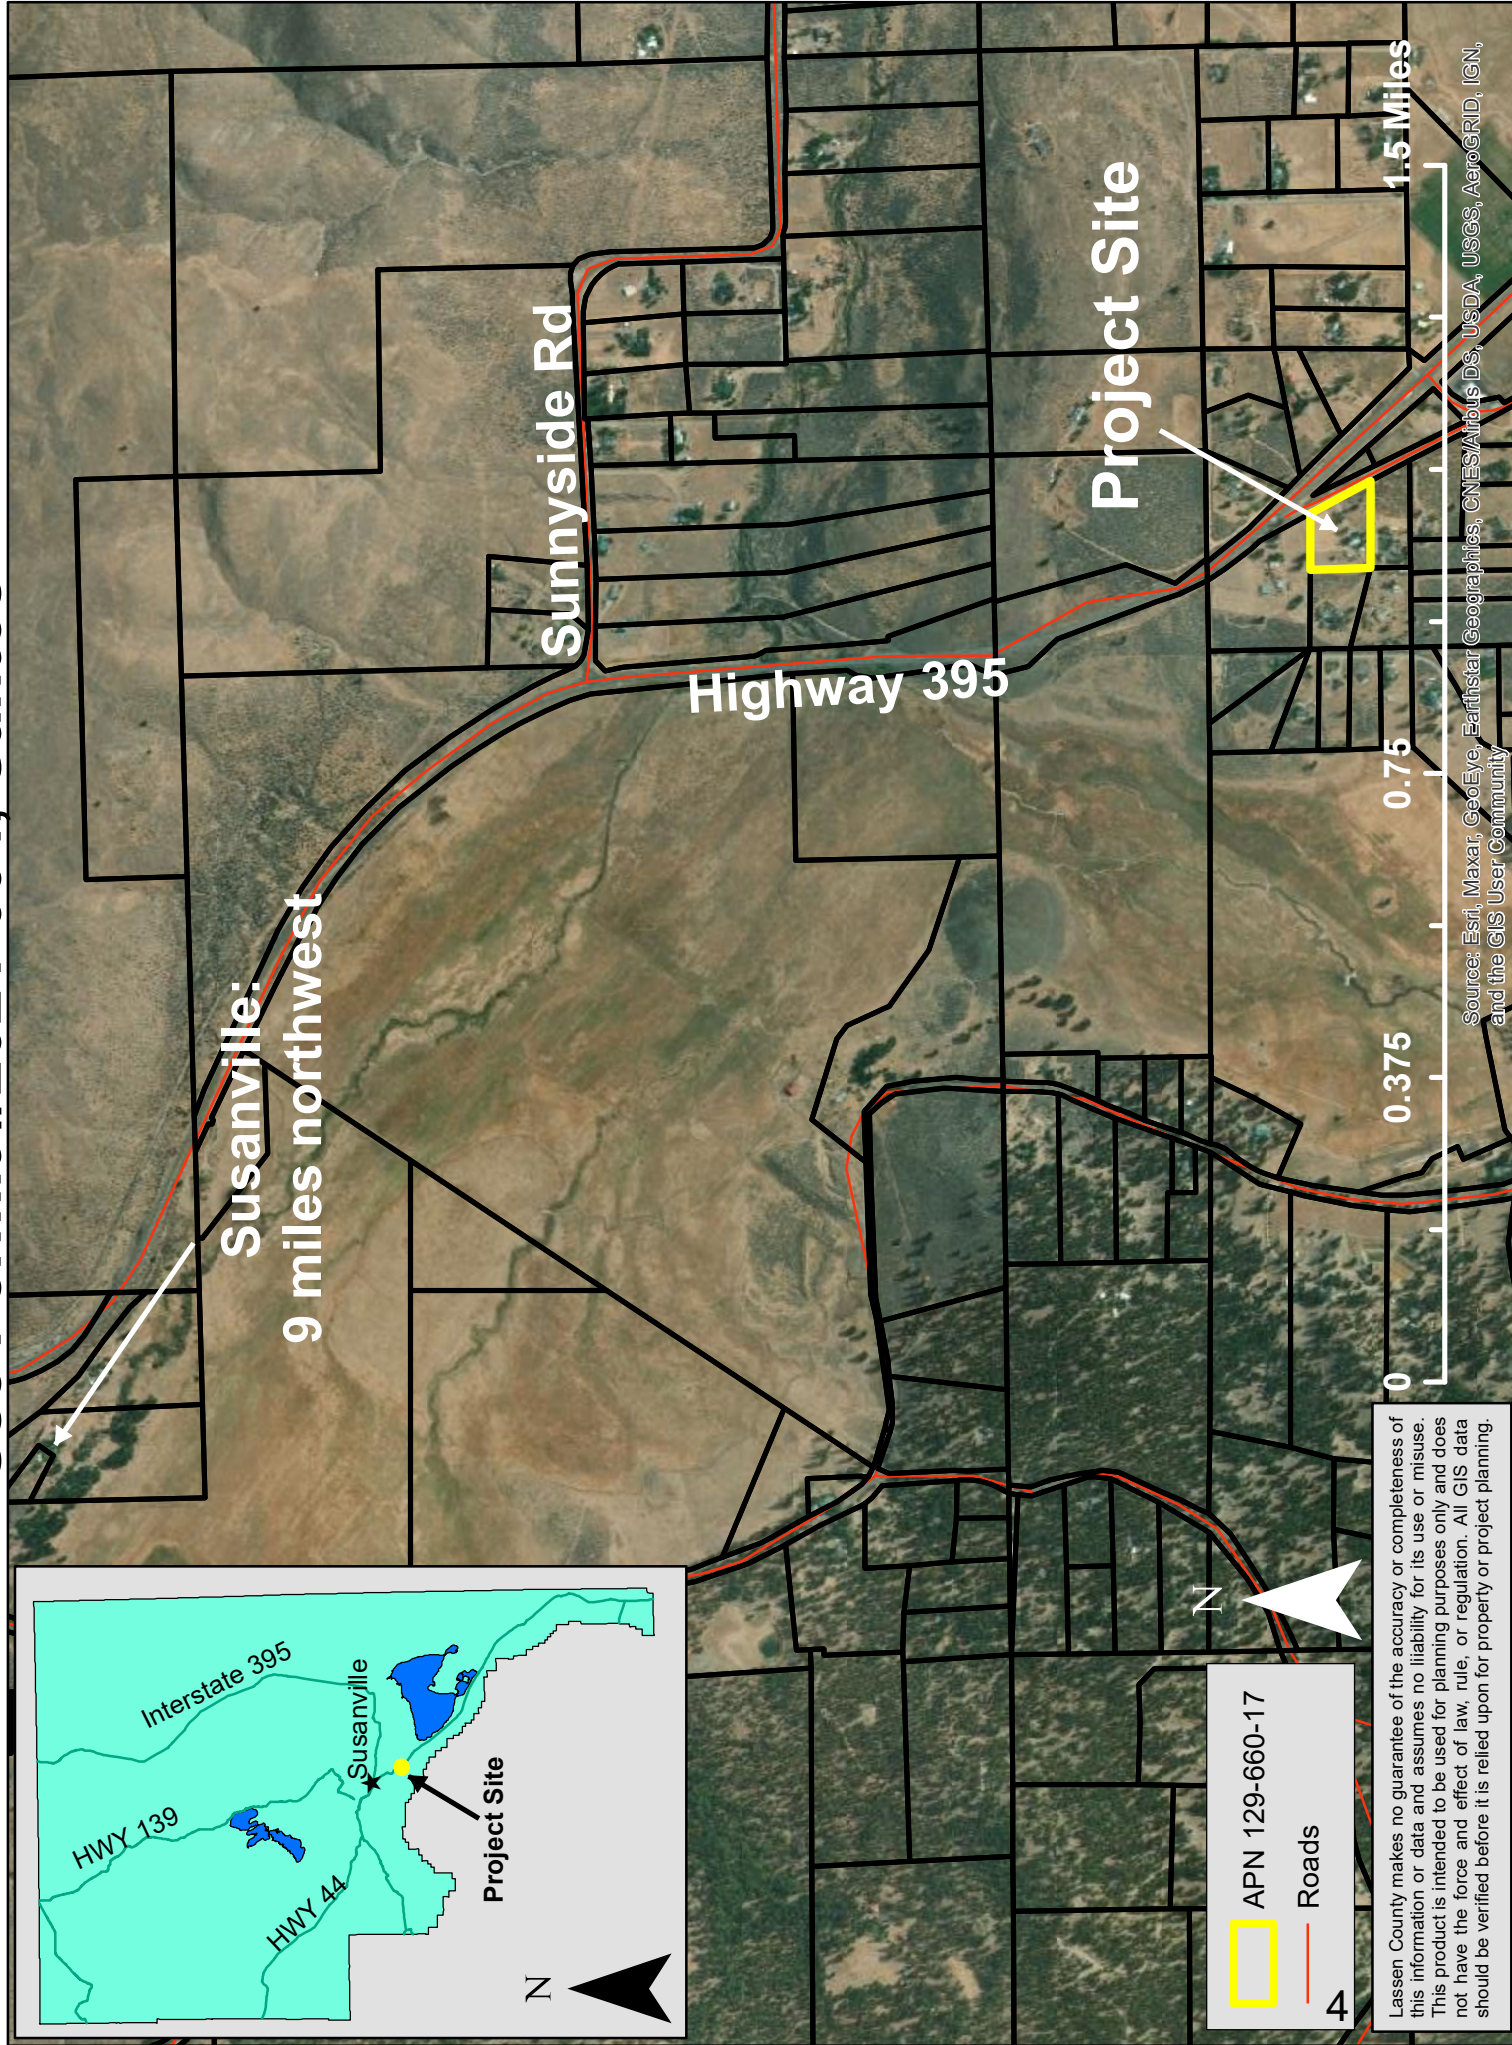

- Fire protection service is provided by Janesville Fire Protection District and the California Department of Forestry and Fire Protection (Cal Fire)
- Police protection is provided by the Lassen County Sheriff's Department
- School service provided by Janesville Union Elementary and Lassen Union High districts

ENVIRONMENTAL DOCUMENT: The Environmental Review Officer of Lassen County has determined that this proposal is exempt from the California Environmental Quality Act under Section 15303 of the CEQA Guidelines.

FINDINGS AND RECOMMENDATIONS BY TAC: The Technical Advisory Committee (TAC) met on May 6, 2021, and has developed recommended findings and conditions for consideration by the Planning Commission. The recommended findings and conditions can be found in the memorandums to the TAC, from its members (attached). The recommended conditions can also be found in Exhibit "A" of the draft resolution for approval that is included in this packet.

STAFF RECOMMENDATION: Staff recommends approval of Use Permit #2021-004. The project is consistent with Lassen County Title 18 *Zoning* and the *Lassen County General Plan, 2000*.

Use Permit #2021-004, Santos

Use Permit #2021-004, Santos

RESOLUTION NO. _____

RESOLUTION OF THE LASSEN COUNTY PLANNING COMMISSION APPROVING
USE PERMIT # 2021-004, SANTOS

WHEREAS, the Planning Commission of Lassen County, after due notice and a public hearing conducted June 1, 2021, has considered Use Permit Application #2021-004, filed by Leonard and Phyllis Santos (property owner) and Alonzo and Amber Nalls (applicant), to construct a second dwelling unit, under 1,400 square-feet in size at 465-815 Conrad Road, Janesville, CA 96114 (APN 129-660-17); and

WHEREAS, Lassen County Code Section 18.112.100 sets forth mandatory findings that the Lassen County Planning Commission must make when considering a use permit application; and

WHEREAS, the Environmental Review Officer has determined that this proposal is exempt from the California Environmental Quality Act under Section 15303 of the CEQA Guidelines.

NOW, THEREFORE, BE IT RESOLVED AS FOLLOWS:

1. The foregoing recitals are true and correct.
2. The Planning Commission finds as follows:
 - a. That the proposed project is consistent with the *Lassen County General Plan, 2000*, Lassen County Code Chapter 18.20, Section 18.108.270, and the provisions of Lassen County Code Chapter 18.112, which establish the regulations regarding the issuance of Use Permits.
 - b. That the project, as conditioned, will not, under the circumstances of the particular case, be detrimental to the health, safety, peace, morals, comfort, and general welfare of persons residing or working in the neighborhood of such use, nor be detrimental or injurious to property and improvements in the neighborhood or to the general welfare.
3. The Lassen County Planning Commission hereby adopts the findings and conclusions of the Director of the Department of Planning and Building Services contained in the memorandum provided for the June 1, 2021, Planning Commission meeting.
4. The Lassen County Planning Commission hereby adopts the recommended findings and conditions of the Technical Advisory Committee, contained in the memorandum provided for the June 1, 2021, Planning Commission meeting.

RESOLUTION NO. _____

5. The Planning Commission hereby concurs with the Environmental Review Officer that the project qualifies for exemption, pursuant to Sections 15303 of the CEQA Guidelines.
6. The Lassen County Planning Commission hereby approves Use Permit #2021-004, Santos, subject to the conditions of approval set forth in Exhibit "A" attached hereto.

PASSED AND ADOPTED at a regular meeting of the Planning Commission of the County of Lassen, State of California, on the 1st day of June, 2021, by the following vote:

AYES: _____

NOES: _____

ABSTAIN: _____

ABSENT: _____

Chairman
Lassen County Planning Commission

ATTEST:

Maurice L. Anderson, Secretary
Lassen County Planning Commission

EXHIBIT "A"
CONDITIONS OF APPROVAL FOR
USE PERMIT #2021-004, SANTOS

1. Noncompliance with any of the following use permit conditions shall constitute grounds for revocation of the use permit (pursuant to Lassen County Code Section 18.112.060).
2. The use permit shall be granted for the use as approved by the Planning Commission. Substantial revisions and/or expansions of the project will require a new Use Permit, subject to the approval of the Planning Commission.
3. The applicant must secure approval from Lassen County Environmental Health for the second housing unit and its related septic system.
4. Prior to issuance of an Authorization to Operate, designs for the second dwelling unit shall be submitted and reviewed for consistency with the development standards set forth for the A-2 zoning district found at Lassen County Code Section 18.18.050 and the architectural requirements found at Lassen County Code Section 18.108.235. Any deviations shall require approval through the design review process.
5. The second housing unit shall not be painted in florescent, luminescent, or other extreme colors which detract from the appearance of the neighboring property, the community as a whole or the natural environment.
6. Prior to issuance of an Authorization to Operate or any residential occupancy, all required building permits must be secured and pass a final inspection. Residential occupancy is not allowed until an appropriate Certificate of Occupancy is issued.
7. All lighting, exterior and interior, shall be designed and located so as to confine direct lighting to the premises. A light source shall not shine upon or illuminate directly on any surface other than the area required to be lighted. No lighting shall be of the type or in a location so as to constitute a hazard to vehicular traffic, either on private property or on abutting streets.

RE: *For* Use Permit #2021-004, Santos *[Signature]*

Project Description

USE PERMIT #2021-004, Santos. Proposal to construct a 632-square-foot second dwelling unit. The subject parcel is zoned A-2-B-4 (Agricultural Residential 4-Acre Building Site Combining District) and has a "Rural Residential" land use designation in the *Lassen County General Plan, 2000*, as amended by the *Janesville Planning Area Amendment, 1993*. The proposed project is exempt from the California Environmental Quality Act (CEQA) under Section 15303 of the CEQA Guidelines. The subject parcel is 4.21 acres and is located approximately 9 miles southeast of Susanville and 200 feet west of Highway 395 at 465-815 Conrad Road, Janesville, CA 96114. APN: 129-660-17. Staff Contact: Nancy McAllister, Associate Planner

The Planning Division of the Lassen County Department of Planning and Building Services finds as follows:

1. The subject parcel is zoned A-2-B-4 (Agricultural Residential 4-Acre Building Site Combining District).
2. The subject parcel has a "Rural Residential" land use designation in the *Lassen County General Plan, 2000*, as amended by the *Janesville Planning Area Amendment, 1993*.
3. The project site is not within the 100-year flood zone as described by the Federal Emergency Management Agency (FEMA).
4. According to the applicant, existing improvements on the subject parcel include one single-family residence, a barn, a septic system, and two wells.
5. The applicant is proposing to construct a 632-square-foot second dwelling unit.
6. According to Lassen County Code Section 18.108.270, "...in any zone on a parcel of land where there is in existence a legally-established 'single-family dwelling,' as defined in this title, a 'second dwelling unit,' may be allowed by the planning commission, upon first securing a use permit pursuant to Chapter 18.112 of [Title 18 of the Lassen County Code]."

7. A second dwelling unit approved by issuance of a permit shall be considered an “accessory dwelling unit” pursuant to Lassen County Code Section 18.108.270(3).
8. Furthermore, according to Lassen County Code Section 18.108.270(2), in zones other than R-1 zones, such second dwelling unit shall be subject to the following:
 - (a) Maximum living area shall not exceed one thousand four hundred square feet, or eighty percent of the floor area of the primary dwelling, whichever is greater. Garages and other fully enclosed areas attached to the existing and proposed dwellings shall be considered part of the floor area for purposes of establishing the eighty percent maximum.
 - (b) Architectural design of the second dwelling unit shall be visually compatible with, and complimentary to, the existing single-family dwelling located on the property and others in the vicinity.
 - (c) One additional off-street parking space shall be required.
 - (d) Second dwelling unit must be individually approved by the county health department.
 - (e) Design review shall be required.
9. Unless the Planning Commission finds otherwise, parking at the site is adequate and, therefore, an additional off-street parking space is not necessary.
10. The proposed second dwelling unit must be consistent with the development standards set forth for the A-2 zoning district found at Lassen County Code Section 18.18.050 and the architectural requirements found at Lassen County Code Section 18.108.235.
11. Pursuant to Lassen County Code Section 18.112.030, the Technical Advisory Committee shall review all use permit applications (and amendments) and shall prepare recommended conditions of approval for consideration by the County (in this case, the Planning Commission).
12. The land use element of the *Lassen County General Plan, 2000* describes the “Rural Residential” land use designation as follows:

Rural Residential

“The Rural Residential designation provides for medium density residential use in a generally rural environment. Parcels may or may not be served by paved roads and will usually not be connected to community water or sewer services. Parcel sizes generally range from three to twenty acres. Parcels may be clustered and/or smaller parcels may be created in exchange for the retention of agricultural and other open space areas (e.g., use of the “density option” provisions of the County’s zoning code).

Building intensity will typically range from 0.05 to 0.33 DUA (dwelling units per acre). Population density will range from 0.15 to 1 PPA (people per acre).

Corresponding Zoning: "A-2", Agricultural-Residential District. An A-2 District is typically combined with a "B ", Building Site Combining District, to indicate minimum or average building sites ranging from three to twenty acres (e.g., A-2-B-5). Minimum parcel sizes may be regarded as average parcel sizes under special "density option" provisions of the "B" Combining District."

13. The following goals, objectives, implementation measures and descriptions from the *Lassen County General Plan, 2000*, also pertain to the proposal:

Designation of Land Uses

- *Implementation Measure LU-A: The County shall utilize the zoning provisions of the Lassen County Code to adopt and enforce corresponding zoning districts, and to consider the approval of related use permits and land divisions, which implement and are compatible with the policies, general land uses and programs specified in this Land Use Element and in area plans adopted as part of the General Plan.*
- *Implementation Measure LU-B: The County recognizes the need and legal requirements for making land use decisions which are consistent with the General Plan.*

1. ISSUE: Land Use Compatibility

- *GOAL L-4: Compatibility between land use types by providing for complementary mixtures and patterns of land uses.*
- *LU-6 POLICY: The County recognizes general plan land use designations and consistent zoning as the appropriate and primary tools for attempting to achieve and maintain compatibility of land uses within the context of the County's land use authority and local control.*

2. ISSUE: Growth and Development

- *GOAL L-5: Orderly, contiguous growth and appropriate land-conserving densities as an alternative to sprawl and "leap-frog" development.*
- *LU-8 POLICY: Future residential development should consist of the expansion of, or be located adjacent to, existing communities, designated rural centers, and established residential areas. An increasing number of small, isolated housing tracts in outlying areas shall be discouraged since they are difficult to provide with urban services and they tend to disrupt the surrounding rural and productive activity of ranches, forests and farms.*

3. ISSUE: Housing

- *GOAL L-7: Consistent with the Housing Element, maintain an adequate amount of housing and diverse residential opportunities and land uses which are located in consideration of the availability of support services and infrastructure, avoidance of conflicting land uses, and the minimization of development impacts.*
- *LU17 POLICY: The County shall, after confirmation of the area's appropriateness for such use and consideration of other resource values, designate and zone appropriate areas for residential development.*
- *LU18 POLICY: Pursuant to the Housing Element, the County will help provide adequate sites to be designated in the General Plan and zoned for residential land use to meet the objectives of the Housing Element, and will help facilitate the expansion of needed water, sewer, and fire protection services.*
- *LU19 POLICY: Subject to case-by-case review, the County shall allow the use of second units except in cases where it is demonstrated that the proposed second units will have specific adverse impacts on public health, safety, and community welfare.*
- *Implementation Measure LU-L: The County will provide permitting processes consistent with state law to consider and allow second housing units. The processes will include development standards and requirements to insure that allowed second units will not have significant adverse impacts to the public's health, safety and welfare. The permitting processes may have special provisions for second units intended for the sole occupancy of up to two adult persons who are 62 years of age or over.*
- *Implementation Measure LU-M: If the County identifies areas where the permitting of second units will have specific adverse impacts on public health, safety, and community welfare, the County may, by ordinance, preclude the use of second units in those areas.*
- *LU20 POLICY: The County shall refer to the Housing Element for applicable policies pertaining to the development of housing.*

4. ISSUE: Neighborhood Quality

- *GOAL L-8: Neighborhoods which offer safe and pleasant living environments for the residents of Lassen County.*
- *LU21 POLICY: The County supports the need to maintain safe and pleasant living environments and, in consideration of related land use decisions, shall require mitigation of impacts which significantly threaten such qualities.*
- *GOAL L-9: Protection of the open, rural character of the county.*

- *LU22 POLICY: The County shall encourage expansion of existing residential areas and discourage sprawl and scattered development.*
- *GOAL L-10: Reasonable development and design review standards which protect communities from poorly designed development which detracts from the overall quality of the area.*

14. The Planning Commission will determine whether the proposed project is consistent with the *Lassen County General Plan, 2000*, unless the proposed project is appealed to the Board of Supervisors, in which case, said body would determine the above.

15. The proposed project is exempt from the California Environmental Quality Act (CEQA) under Section 15303 of the CEQA Guidelines.

The Planning Division of the Lassen County Department of Planning and Building Services recommends the following conditions be placed on the project if approved:

1. Noncompliance with any of the following use permit conditions shall constitute grounds for revocation of the use permit (pursuant to Lassen County Code Section 18.112.060).
2. The use permit shall be granted for the use as approved by the Planning Commission. Substantial revisions and/or expansions of the project will require a new Use Permit, subject to the approval of the Planning Commission.
3. The applicant must secure approval from Lassen County Environmental Health for the second housing unit and its related septic system.
4. Prior to issuance of an Authorization to Operate, designs for the second dwelling unit shall be submitted and reviewed for consistency with the development standards set forth for the A-2 zoning district found at Lassen County Code Section 18.18.050 and the architectural requirements found at Lassen County Code Section 18.108.235. Any deviations shall require approval through the design review process.
5. The second housing unit shall not be painted in florescent, luminescent, or other extreme colors which detract from the appearance of the neighboring property, the community as a whole or the natural environment.
6. Prior to issuance of an Authorization to Operate or any residential occupancy, all required building permits must be secured and pass a final inspection. Residential occupancy is not allowed until an appropriate Certificate of Occupancy is issued.

RE: Use Permit No. 2021-004 – The Santos Family Trust.
Assessor's Parcel Number: 129-660-17.

LASSEN COUNTY SURVEYOR FINDS AS FOLLOWS:

1. The subject parcel is currently owned by Leonard A. Santos and Phyllis M. Santos, Co-Trustees of The Santos Family Trust dated July 21, 2003, as shown at a Quitclaim Deed recorded on August 8, 2003 as Document Number 2003-07822 of the Official Records of Lassen County, California. This parcel is further known as Assessor's Parcel Number 129-660-17 and is located in a portion of Section 5, Township 28 North, Range 13 East, Mount Diablo Base and Meridian.
2. The legal description for the parcel noted in Findings Item Number One above describes the property as Parcel B of Parcel Map No. 26-3-78, as the same was filed on August 1, 1979 in Book 16 of Maps, Pages 82-83, of the Official Records of Lassen County. This parcel map was approved by the Lassen County Board of Supervisors, the exact date of which was unable to be determined, however the subject parcel was created in compliance with the Subdivision Map Act and local ordinances.
3. The subject parcel directly abuts Conrad Lane, County Road No. 250, which is in the County maintained road system.

LASSEN COUNTY SURVEYOR RECOMMENDS THE FOLLOWING CONDITIONS FOR USE PERMIT NO. 2021-004 (THE SANTOS FAMILY TRUST):

1. None.

Respectfully submitted,

Don Willis, L.S. 7742
Lassen County Surveyor

FILE NO. _____

Form must be typed or printed clearly in black or blue ink. This supplement consists of three pages.

Please complete the following application supplement and attach to the Use Permit Application. Answer all questions that are related to the proposed use.

1. Proposed timeframe for the project and completion of each major phase if applicable (i.e., when structures and improvements will be completed): March 2002

2. Describe surrounding land uses (e.g., residential, commercial, agricultural, etc.). Please be as specific as possible.

North: Horse pasture agricultural

South: neighbor residential

East: Current residence

West: neighbor residential

3. Describe existing structures and improvements including their square footage: 500 sq foot
one bedroom, one bathroom, livingroom, kitchen, loft

4. Maximum height (in feet) of existing structures: 12 feet one story

5. Maximum height of proposed Dwelling: 18-20 feet one story with a loft

6. Describe any existing structures to be removed: round corral

7. Proposed Dwelling Type: Conventional Home ☒ Manufactured Home ☐

8. If a manufactured, manufactured date: _____

*Note: Manufactured homes must have been manufactured on or after September 1, 2008, to be placed in a Fire Responsibility Area designated as a SRA (State Responsibility Area) or a LRA (Local Responsibility Area) with a "very high" fire hazard designation. If not in an SRA area or a LRA-very high, the date of manufacture can be no more than 20 years prior to the date of building permit application. (Ord. 467-AF)

Type of foundation: Pier set ☐ Permanent ☐ Other ☐

9. Proposed Dwelling Dimensions: _____ Proposed Dwelling Area (sq. ft): _____

10. Will the project include or result in grading, including anticipated grading at project buildout?

☐ Yes

☒ No

If yes, approximate total surface area to be disturbed by site grading:
_____ sq. ft. or _____ acres

Quantity of cut: _____ cubic yards Quantity of fill: _____ cubic yards

11. Percentage of site to be covered by impervious surfaces (e.g., roads, driveways, and structures), including estimated impervious surfaces at project buildout: 500 sq ft.

Number of proposed parking spaces: 2

(Parking requirements are found at chapter 18.104 of the Lassen County Code.)

Describe surfacing of parking area: dirt

12. Describe proposed exterior lighting, including location (attach lighting diagram if applicable): _____

only a porch light

13. Please attach a detailed plot plan, drawn to scale, showing all existing and proposed improvements.

14. Please indicate how the following services will be provided to serve the project, including name of the service provider:

Electricity: LMUD

Underground ☐ Overhead ☒
