INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER
FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS
BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN
ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

To the Honorable Board of Supervisors
of the County of Lassen
Susanville, California

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of the County of Lassen, California (the "County"), as of and for the year ended June 30, 2020, and the related notes to the financial statements, which collectively comprise the County's basic financial statements, and have issued our report thereon dated September 30, 2021.

Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered the County's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the County's internal control. Accordingly, we do not express an opinion on the effectiveness of the County's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies and therefore, material weaknesses or significant deficiencies may exist that have not been identified. We did identify certain deficiencies in internal control, described in the accompanying schedule of findings and questioned costs as items 2020-001 and 2020-002 that we consider to be material weaknesses.

570 N. Magnolia Avenue, Suite 100
Clovis, CA 93611

tel 559.299.9540
fax 559.299.2344

Compliance and Other Matters

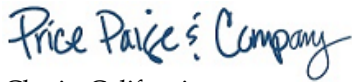

As part of obtaining reasonable assurance about whether the County's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards* and which are described in the accompanying schedule of findings and questioned costs as item 2020-002.

County's Response to Findings

The County's response to the findings identified in our audit is described in the accompanying schedule of findings and questioned costs. The County's response was not subjected to the auditing procedures applied in the audit of the financial statements and, accordingly, we express no opinion on it.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the County's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the County's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR EACH MAJOR
PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE AND
SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS REQUIRED BY THE
UNIFORM GUIDANCE AND SUPPLEMENTAL SCHEDULE OF THE CALIFORNIA
OFFICE OF EMERGENCY SERVICES (CALOES) GRANT EXPENDITURES

To the Honorable Board of Supervisors
of the County of Lassen
Susanville, California

Report on Compliance for Each Major Federal Program

We have audited the County of Lassen, California's (the "County") compliance with the types of compliance requirements described in the *OMB Compliance Supplement* that could have a direct and material effect on each of the County's major federal programs for the year ended June 30, 2020. The County's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with federal statutes, regulations, and the terms and conditions of its federal awards applicable to its federal programs.

Auditor's Responsibility

Our responsibility is to express an opinion on compliance for each of the County's major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about the County's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of the County's compliance.

Opinion on Each Major Federal Program

In our opinion, the County of Lassen, California, complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2020.

570 N. Magnolia Avenue, Suite 100
Clovis, CA 93611

Report on Internal Control Over Compliance

Management of the County of Lassen, California, is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered the County's internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the County's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

Report on Schedule of Expenditures of Federal Awards Required by the Uniform Guidance

We have audited the financial statements of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of the County of Lassen, California, as of and for the year ended June 30, 2020 and have issued our report thereon dated September 30, 2021, which contained unmodified opinions on those financial statements. Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of expenditures of federal awards is presented for purposes of additional analysis as required by the Uniform Guidance and is not a required part of the financial statements. The accompanying Supplemental Schedule of California Office of Emergency Services (CalOES) Grant Expenditures is presented for purposes of additional analysis as required by CalOES and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the schedule of expenditure of federal awards and Supplemental Schedule of California Office of Emergency Services Grant Expenditures are fairly stated in all material respects in relation to the financial statements as a whole.

COUNTY OF LASSEN
NOTES TO THE SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS
FOR THE YEAR ENDED JUNE 30, 2020

Reporting Entity

The financial reporting entity, as defined by the Government Accounting Standards Board ("GASB"), consists of the primary government, which is the County of Lassen, California (the "County"), organizations for which the primary government is financially accountable, and other organizations for which the nature and significance of their relationship with the primary government are such that exclusion would cause the reporting entity's financial statements to be misleading or incomplete.

A. Basis of Accounting

Funds received under the various grant programs have been recorded within various funds of the County. The County utilizes the modified accrual basis of accounting for these funds. The accompanying Schedule of Expenditures of Federal Awards (the "SEFA") is presented in accordance with the requirements of Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* ("Uniform Guidance"). Therefore, some amounts presented in the Schedule may differ from amounts presented in, or used in, the presentation of County's basic financial statements.

B. Schedule of Expenditures of Federal Awards

The accompanying SEFA presents the activity of all federal financial assistance programs of the County. Federal financial assistance received directly from federal agencies as well as federal financial assistance passed through other agencies is included in the SEFA. The SEFA was prepared only from the accounts of various grant programs and, therefore, does not present the financial position or results of operations of the County.

When the County receives federal awards as a sub-recipient, the pass-through agency generally provides the County with a pass-through number that will be referenced on the SEFA. If the pass-through agency does not generate or provide such a number, the County will denote "N/A" on the SEFA in the absence of a pass-through number.

C. Indirect Cost Rate

The County has elected not to use the 10 percent *de minimis* indirect cost rate as allowed under the Uniform Guidance.

SCHEDULE OF FINDINGS AND QUESTIONED COSTS
FOR THE YEAR ENDED JUNE 30, 2020**

SECTION I - SUMMARY OF AUDITOR'S RESULTS

Financial Statements

Type of auditor's report issued: Unmodified

Internal control over financial reporting:

Material weaknesses identified?	<u> X </u> Yes	<u> </u> No
Significant deficiencies identified that are not considered to be material weaknesses?	<u> </u> Yes	<u> X </u> None reported

Noncompliance material to financial statements noted? X Yes No

Federal Awards

Internal control over major programs:

Material weaknesses identified?	<u> </u> Yes	<u> X </u> No
Significant deficiencies identified that are not considered to be material weaknesses?	<u> </u> Yes	<u> X </u> None reported

Type of auditor's report issued on compliance for major programs: Unmodified

Any audit findings disclosed that are required to be reported in accordance with 2CFR section 200.516(a)? Yes X No

Identification of major programs:

<u>CFDA Number</u>	<u>Name of Federal Program or Cluster</u>
20.205	Highway Planning and Construction
15.226	Payment in Lieu of Taxes

Dollar threshold used to distinguish between Type A and Type B programs: \$750,000

Auditee qualified as low-risk auditee? Yes X No

**COUNTY OF LASSEN
SCHEDULE OF FINDINGS AND QUESTIONED COSTS
FOR THE YEAR ENDED JUNE 30, 2020**

SECTION II - FINANCIAL STATEMENT FINDINGS

Finding 2020-001 – Year-End Closing Process (Material Weakness)

Condition: During the audit of the County’s financial statements, we identified material misstatements in the County’s general ledger account balance which necessitated the proposal of audit adjustments.

Criteria: A strong system of internal controls and management review requires that general ledger account balances be properly reconciled to a subsidiary ledger or other adequate supporting documentation on a periodic basis, as well as during the year-end financial close process in order to accurately and completely close the current year general ledger in a timely manner. Management is responsible for maintaining its accounting records in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

Cause: Towards the end of the fiscal year and throughout the closing process, there was significant turnover in the County’s Auditor/Controller Department, including leadership and other experienced staff positions. This resulted in the need to replace each position and provide the appropriate training. Additionally, COVID-19 caused unforeseen delays as County staff had to work remotely and/or quarantine at various points over time which resulted in significant delays.

Effect: Various areas of the financial statements, including accounts receivable, accounts payable, capital assets, unavailable revenue, revenue and expenditures were materially misstated, which required journal entries to be posted subsequent to receiving the County’s final trial balance.

Recommendation: We recommend that the County perform the following steps in order to address the matters described above:

- Create a closing checklist to assist with the preparation of audit schedules that are complete, accurate, and reconcile to the County’s general ledger account balances. Additionally, ensure that a system is in place to allow the County to perform this in a timely matter.
- Fully staff the Auditor/Controller Department through the hiring of experienced personnel.
- Provide additional training in accounting specific to governmental entities to Auditor/Controller Department staff in order to ensure that they are current with all financial accounting and reporting requirements as directed by the Governmental Accounting Standards Board.

Management’s Response: See Corrective Action Plan.

**COUNTY OF LASSEN
SCHEDULE OF FINDINGS AND QUESTIONED COSTS
FOR THE YEAR ENDED JUNE 30, 2020**

SECTION II - FINANCIAL STATEMENT FINDINGS (Continued)

Finding 2020-002 - Tracking of Unused Realignment Funds (Material Weakness) - Compliance

Condition: Funding that has been transferred from the Mental Health Realignment, Social Services Realignment and Public Health Realignment in previous years to cover budget deficits has accrued a significant balance over time. These funding sources may carry different purpose restrictions and the department is unaware of how much of the remaining funding in the Health and Social Services Fund is applicable to each of the funding source.

Criteria: A strong system of internal control over financial reporting ensures that the use of all restricted funding is limited to the appropriate purpose.

Cause: The County does not have a mechanism to delineate between unused Mental Health Realignment, Social Services Realignment and Public Health realignment funds within the Health and Human Services Funds.

Effect: Since there is no mechanism in place to track the realignment funding remaining within the Health and Social Services Fund, there is a potential of improper use of that funding.

Recommendation: We recommend the County review at least five years of activity within the Health and Human Services Fund and develop an analysis of realignment revenue transferred into and other revenue received compared to eligible expenditures for each grant and realignment type. The result of the analysis would be a calculation of how much of the cash and investments remaining in the fund is related to each type of realignment funding. Additionally, we recommend the department develop a mechanism to track any unused realignment funds by type each year and develop and implement controls to oversee this process.

Management's Response: See Corrective Action Plan.

SECTION III - FEDERAL AWARDS FINDINGS AND QUESTIONED COSTS

None reportable.

**COUNTY OF LASSEN
SUMMARY SCHEDULE OF PRIOR AUDIT FINDINGS
FOR THE YEAR ENDED JUNE 30, 2020**

FINANCIAL STATEMENT FINDINGS

Finding 2019-001 - Tracking of Unused Realignment Funds (Material Weakness) - Compliance

Condition: Funding that has been transferred from the Mental Health Realignment, Social Services Realignment and Public Health Realignment in previous years to cover budget deficits has accrued a significant balance over time. These funding sources may carry different purpose restrictions and the Health and Social Service department is unaware of how much of the remaining funding in the Health and Social Services Fund is applicable to each of the funding source.

Criteria: A strong system of internal control over financial reporting ensures that the use of all restricted funding is limited to the appropriate purpose.

Cause: The County does not have a mechanism to delineate between unused Mental Health Realignment, Social Services Realignment and Public Health realignment funds within the Health and Human Services Funds.

Effect: Since there is no mechanism in place to track the realignment funding remaining within the Health and Social Services Fund, there is a potential of improper use of that funding.

Recommendation: We recommend the County review at least five years of activity within the Health and Human Services Fund and develop an analysis of realignment revenue transferred into and other revenue received compared to eligible expenditures for each grant and realignment type. The result of the analysis would be a calculation of how much of the cash and investments remaining in the fund is related to each type of realignment funding. Additionally, we recommend the Health and Social Service department develop a mechanism to track any unused realignment funds by type each year and develop and implement controls to oversee this process.

Status: Not implemented, see finding 2020-002

COUNTY OF LASSEN
SUMMARY SCHEDULE OF PRIOR AUDIT FINDINGS
FOR THE YEAR ENDED JUNE 30, 2020
(Continued)

FINANCIAL STATEMENT FINDINGS (Continued)

Finding 2019-002 - Unavailable Revenue (Material Weakness)

Condition: The County did not properly account for revenue the County received subsequent to the 60- or 180-day availability period for non-grant and grant related revenues, respectively.

Criteria: Generally accepted accounting principles require that revenue received after the 60- or 180-day availability period be classified as unavailable revenues (a deferred inflow of resources) in the governmental fund financial statements in accordance with the modified accrual basis of accounting.

Cause: The County does not have a closing process that revenue is only being recognized after meeting the availability criteria.

Effect: Revenues reported in the Health and Human Services and Welfare Administration funds were overstated by \$44,493 and \$1,023,043, respectively, and deferred inflows of resources were understated by the same amount.

Recommendation: We recommend that the County develop and implement controls over the year-end closing process to ensure that revenue received subsequent to the period of availability is properly recorded in the general ledger in accordance with the modified accrual basis of accounting.

Status: Not implemented, see finding 2020-001

**COUNTY OF LASSEN
CORRECTIVE ACTION PLAN
YEAR ENDED JUNE 30, 2020**

Finding Number	Planned Corrective Action	Anticipated Completion Date	Responsible Contact Person
2020-001	The recommendations are logical and we will work toward implementing as Funding and Staffing allows. We have brought back our retired auditor to assist and train in many areas.	June 2022	Julie Morgan, County Auditor
2020-002	Discussions with the Health and Social Services Department staff indicate there is program tracking of the cash and investments remaining in the fund related to each type of realignment funding. Due to unanticipated vacancies current staff have been doing additional duties and a complete tracking is not available. Health and Social Services staff will conduct an analysis of the fund balance lead by Health and Social Services Chief Fiscal Manager. The Chief Fiscal Manager will assign each fiscal officer to track the restricted program funds. Staff will research past transfers and program expenditures when necessary to track any realignment funding by program in order to ensure the funding is limited to the appropriate purpose.	Health and Social Services staff will be working on this in the next 12 months.	Julie Morgan, County Auditor
