

**STATEMENT OF CANDIDATE FOR
COUNTY SUPERVISOR, DISTRICT 2**

GARY BRIDGES

Occupation: Supervisor District 2

I believe in conservative values: representatives who serve the people first, balance budgets, sustainable economic development, honesty and transparency. Lassen County was built on those principles.

Having served one term on the board, I feel like I am just learning about the true role of a county supervisor. With that as a foundation, I have developed relationships and partnership with many in the county, as well as those in other counties throughout the state.

As the lead county representative to our Seniors programs, I have spent considerable time to get our services restored, especially the nutritional program through the Dining Around Town program. The next step is to get the in-home delivery program back and at some point we need to incorporate a congregate site to promote the socialization opportunities for our seniors.

I bring a lifetime of experiences to the table. I am the son of a logger, born and raised in Lassen County. I have lived in Susanville for the last 48 years with my wife, Sherry. We have recently celebrated our 35th anniversary. We raised five children and have 11 grandchildren. I would be honored to continue to serve the people of this great county.
