

**STATEMENT OF CANDIDATE FOR  
SUSANVILLE CITY COUNCIL MEMBER**

---

**PATRICK PARRISH**

**Occupation: Peace Officer**

My name is Patrick Parrish and I have lived in Susanville for years. Like you, I am a concerned resident. There is crime, homelessness, drugs, and lack of hope in this community. I will make a positive change by backing our law enforcement, promoting business growth, investing in our youth, encouraging family values, and creating transparency in our city. These are the five pillars I will stand behind as I make decisions for the citizens of Susanville. I appreciate your vote in this election and look forward to working with you to maximize Susanville's full potential.
