

**STATEMENT OF CANDIDATE FOR
UNITED STATES REPRESENTATIVE IN CONGRESS, DISTRICT 1**

DOUG LA MALFA

Occupation: Farmer/Member of the United State House of Representatives

The last several years have been difficult for too many. Inflation has taken a bite out of family budgets, gas and energy prices have soared, crime and lawlessness have crept into our rural communities. The challenges we face in Northern California just keep growing.

Bloated federal budgets fuel inflation and add to the national debt. As your representative in Congress, I voted for the Bi-Partisan Fiscal Responsibility Act to limit spending and save taxpayers \$2.1 trillion by cutting waste.

I continue to work to improve disaster recovery, including passing tax relief for the victims of wildfires. Increasing water supplies and protecting our water from being wasted by government mismanagement is critical. I have been able to deliver \$3.8 billion in low interest loans and grants for Sites Reservoir planning and construction.

Mass illegal immigration, cartel marijuana grows, the menace of fentanyl, tragic human trafficking are symptoms of the current Administration's refusal to control the border. I've voted to strengthen and defend the border. We must finally complete the wall, it's essential to our national security.

I have consistently worked to bring energy prices down and make America energy independent by increasing domestic oil and natural gas production as well as renewables such as biomass power and clean, cheap hydroelectric.

I will always fight to protect our Constitution and our individual rights. It's my privilege to serve you in Congress, to be your voice. I'd be honored to receive your vote. Thank you.
