OBSERVATIONS AND CORRECTIVE ACTIONS:

① Food handler cards not available for review at time of inspection. Provide full handler cards.

② Complaint regarding cockroaches was substantiated. Manager is currently addressing the problems with traps in problem area. Exterminator has been contacted and fumigation is being planned. Dead insects are visible within traps. One live cockroach observed at time of inspection. Continue with plans for extermination. EHE will reinspect in two weeks.

③ Handwash sink is slow to drain at time of inspection. Clear drain so that water drains properly.
