STATEMENT OF CANDIDATE FOR:
STATE SENATOR - DISTRICT 1

KEVIN KILEY
Party Preference: Republican
Occupation: State Representative/ Businessman/ Cattle Rancher

I’m proud to be the only candidate for State Senate with a perfect 100% rating from the Howard Jarvis Taxpayers Association. North State taxpayers need a strong voice in the Senate. I will be that voice.

Californians pay the highest taxes in the country. Now Gavin Newsom wants to tax our water and Sacramento liberals and special interests are trying to dismantle Prop. 13. It’s time to stand up to the big spenders at the State Capitol.

In the State Assembly, I have steadfastly opposed tax increases and wasteful spending, been a strong voice for small business and worked to make government more accountable. As a former prosecutor of violent felons, I have authored and championed tough new laws to protect you and your family.

As a small businessman and co-owner of a cattle company, I understand how government red tape and regulations harm small-business owners, farmers and ranchers. I will fight to protect North State water and improve forest management and fire protection.

My background and experience includes: State Assembly Representative; local cattle rancher; Deputy Attorney General and criminal prosecutor; and high school teacher. I was raised in our district and attended local schools.

I will proudly represent Lassen County in the Legislature and am proud to be endorsed by North State County Sheriffs, District Attorneys and 20 City Council members from our district. I would be honored to receive your vote and pledge to represent you with integrity. Please visit www.ElectKevinKiley.com.

STATEMENT OF CANDIDATE FOR:
STATE SENATOR - DISTRICT 1

REX HIME
Party Preference: Republican
Occupation: Small Business Advocate

Too often politicians only look out for their own self-interest while taxpayers in places like Lassen County get stuck with the bill.

I’m not a politician. I dedicated my career in the private sector to reducing taxes. I was proud to help create a coalition that successfully stopped efforts by liberal politicians and special interests to repeal Proposition 13 and increase property taxes.

California has become unaffordable for working families. Sacramento Legislators are out of touch and continue to propose new taxes and costly regulations. They also pass laws that make our communities less safe. Enough is enough.

Working for Ronald Reagan shaped my values and taught me to fight for common sense conservative solutions:

I’ll oppose higher taxes, stop unelected bureaucrats from increasing fees, and make sure the taxes we do pay are used for the purpose intended and not diverted to other purposes.

I’ll fight to bring an end to human trafficking and seek common sense protections for victims including long-term protective orders from their abusers. I will also work to ensure that any individual who targets a minor for human trafficking be required register as a sex offender.

I’ll fight to undo California’s sanctuary state law that ties the hands of law enforcement.

I am the only veteran in this race, and proud to be endorsed by Governor Pete Wilson, National Tax Limitation Committee President Lew Uhler, and former Lassen County State Senator Tim Leslie.

I’d be honored to have your vote.

STATEMENT OF CANDIDATE FOR: STATE SENATOR - DISTRICT 1

BRIAN D. DAHLE
Party Preference: Republican
Occupation: Farmer/Businessman/Assemblyman

I am a Lassen County farmer, business owner and citizen legislator who fights special interests and political elites to build a better future.

Defeating $29 billion in new taxes and keeping property taxes down by protecting Prop 13 allowed you to keep more of your hard-earned money.

I held agencies accountable for wildfires, and I’m working to prevent future wildfire disasters and help fire victims recover.

Passing bipartisan legislation to end the gouging of hospital patients with surprise out-of-network bills, improving preventative health care and making pharmaceutical companies more accountable for rising drug prices made health care more affordable.

Garnering support for career training and after-school programs helped Lassen County students.

I fought to keep Honey Lake Power from closing and passed legislation to fund better rural internet service in Lassen County.

I led the fight against sanctuary cities that protect illegal immigrants from criminal prosecution and will push to reimburse California for millions spent incarcerating illegal immigrant criminals.

My record earned me 100% ratings from the California Taxpayers Association and California Police Chiefs Association.

As your Senator, I’ll continue fighting for Lassen County families, businesses and schools.

Sheriff Dean Growdon; the California Professional Firefighters, Lassen County Farm Bureau, and every Lassen County Supervisor supports my campaign. I hope you do too.

I made the best decision of my life when I married Megan. Together, we have three wonderful children.

Please call me personally at (530) 251-3888 or visit www.briandahle.com.

ELECTIONS IN CALIFORNIA

The Top Two Candidates Open Primary Act requires that all candidates for a voter-nominated office be listed on the same ballot. Previously known as partisan offices, voter-nominated offices are state legislative offices, U.S. congressional offices, and state constitutional offices.

In both the open primary and general elections, you can vote for any candidate regardless of what party preference you indicated on your voter registration form. However, if one candidate receives more than 50% of the votes cast at the special primary election, he or she will be elected to fill the vacancy and no special general election will be held.

Write-in candidates for voter-nominated offices can still run in the primary election. However, a write-in candidate can only move on to the general election if the candidate is one of the top two vote-getters in the primary election. Additionally, there is no independent nomination process for a general election.

VOTER-NOMINATED OFFICES

Political parties are not entitled to formally nominate candidates for voter-nominated offices at the primary election. A candidate nominated for a voter-nominated office at the primary election is the nominee of the people and not the official nominee of any party at the general election. A candidate for nomination to a voter-nominated office shall have his or her qualified party preference, or lack of qualified party preference, stated on the ballot, but the party preference designation is selected solely by the candidate and is shown for the information of the voters only. It does not mean the candidate is nominated or endorsed by the party designated, or that there is an affiliation between the party and candidate, and no candidate nominated by the voters shall be deemed to be the officially nominated candidate of any political party. In the county voter information guide, parties may list the candidates for voter-nominated offices who have received the party’s official endorsement.

Any voter may vote for any candidate for a voter-nominated office, if they meet the other qualifications required to vote for that office. The top two vote-getters at the primary election move on to the general election for the voter-nominated office even if both candidates have specified the same party preference designation. No party is entitled to have a candidate with its party preference designation move on to the general election, unless the candidate is one of the two highest vote-getters at the primary election.

If one candidate receives more than 50% of the votes cast at the special primary election, he or she will be elected to fill the vacancy and no special general election will be held.
INSTRUCTIONS TO VOTERS:

1. To vote you must completely darken the oval next to the candidate or measure of your choice. If you mismark an oval or change your mind, exchange your ballot for a new one.

2. To write-in a name, you must completely darken the oval to the left of the line provided and write the name on the line.

3. All distinguishing marks or erasures are forbidden and make the ballot void.

Voter-Nominated and Nonpartisan Offices

All voters, regardless of the party preference they disclosed upon registration, or refusal to disclose a party preference, may vote for any candidate for a voter-nominated or nonpartisan office. The party preference, if any, designated by a candidate for a voter-nominated office is selected by the candidate and is shown for the information of the voters only. It does not imply that the candidate is nominated or endorsed by the party or that the party approves of the candidate. The party preference, if any, of a candidate for a nonpartisan office does not appear on the ballot.

ASSISTANCE FOR THE VISUALLY, HEARING, OR SPEECH IMPAIRED
The Secretary of State's Office has a TDD (Telecommunications Device for the Deaf) for election information: 1-800-345-VOTE. For the visually impaired, audio tapes of State Ballot Measures are available from the County Clerk's Office.

In an effort to update the voter rolls and reduce waste, the County of Lassen intends to implement provisions of Elections Code Section 2224 which allows the County Elections Office to send a notice to voters who have not voted in any election in the past four years AND who have not updated their registration during these four years. The notice asks the voters if they still live at the address where they are registered to vote. Voters who have neither voted in any election nor updated their registration during the past four years but who return the notice with an affirmative response will remain on the active list of registered voters. Such voters who do NOT respond affirmatively will be placed on the inactive voter list, and they will no longer receive election materials.
