

**STATEMENT OF CANDIDATE FOR  
SUPERIOR COURT JUDGE, DEPARTMENT 1**

---

**TRACI L. WITRY**

**Occupation: Court Commissioner    Age: 54**

I am excited to declare my Superior Court Judge candidacy in our vibrant community! I'm Traci L. Witry, an attorney since 2000 with a wide array of professional experiences from being Deputy District Attorney, Deputy County Counsel, to owning my law office. More recently, I was the first appointed female judicial officer, Commissioner, for Calaveras County Superior Court. I am now your Court Commissioner for Lassen County Superior Court.

In my current role, I preside over various calendars from Child Support, Unlawful Detainers, Criminal matters, Family Law, and Settlement Conferences to Traffic Court, showcasing my versatility. I'm not just about courtrooms; I'm also the Teen Court advisor, introducing youth to the legal system through mock trials, meeting community leaders and other enriching activities.

Every case I handle is a family's story, be it Child Support or Criminal matters. Integrity and fairness define my career. By voting for me, you choose a judge deeply committed to Lassen County, dedicated to justice, and tirelessly working to uphold the law. I humbly seek your support, aiming to build a legal system that mirrors our community's values and ensures justice for all.
