

**STATEMENT OF CANDIDATE FOR
SUSANVILLE CITY COUNCIL MEMBER**

DAWN MILLER

Occupation: Credit Union CEO

I was born and raised in Susanville. I am proud to call Susanville my home town. In 1979 my career began with Lassen County Federal Credit Union, employed as the Executive VP until 1989.

In 1989 I departed to pursue a Real Estate career. I became partners with Rocky Joy; ERA Joy Realty. I returned to the Credit Union in 1999 taking over my prior position as Executive VP. Presently, I am employed with LCFCU as the CEO. Over the course of my 34 years with LCFCU I have managed many areas including Compliance, Federal Regulations, Budget negotiations, Investments, accounting, lending as well as introducing and streamlining new products, programs and technology.

I believe the revitalization of our local economy and infrastructure is critical to our town's future.

Public Safety is a major priority and I believe it is best maintained with a well-resourced and staffed police and fire department. Susanville residents should feel safe to enjoy our town at anytime of day or night.

I would like to help preserve Susanville's rich heritage and ensure that both the values and spirit that have shaped our community will continue for generations.
