

STATEMENT OF CANDIDATE FOR STATE ASSEMBLY, DISTRICT 1

TENESSA AUDETTE

Occupation: Mayor of Redding, Small Business Owner, Senate District Representative

Age: 46

Politicians at the State Capitol don't understand or care about the North State or rural California.

I am running for Assembly to shake up Sacramento and protect our communities and God-given rights.

I'm a wife, mom, small business owner and the Mayor of Redding.

My experience in business and government and my commitment to protect Lassen County is what matters most; it's why I am stepping up to run for State Assembly.

My platform is conservative and straightforward: Pro-2nd Amendment, Pro-Life, Pro-Business, Protect Prop 13, Protect Ag, Protect Water, Reduce Taxes and Regulations, Wildfire Prevention through Forest Management, Support Law Enforcement and Lock Up Criminals, Parental Rights in Education, Tougher Border Security, and Fair and Secure Elections.

California's bureaucracy has grown so large and overburdensome that it has choked the life and hope out of our workforce and middle class.

Government is not the solution. I will vote to limit and reduce government.

Most importantly, I will never waiver or compromise when it comes to protecting our Constitution and the rights of "We the People."

I'm proudly endorsed by Senator Shannon Grove, Supervisor Ned Coe, Supervisor Geri Byrne and more.

We all say we want someone to fight for us but what we really want is someone that will win for us. I will tenaciously pursue the win for you.

I am humbly asking for your vote.
