Sara also gave an update that they are working on the DJJ RFP and that will be coming out soon. Melyssah mentioned that she has been receiving emails from a group soliciting a signature from her for support. She will forward information to Jennifer Branning for review. Jayson & Samantha McMullen reviewed the plan and brought back grammatical changes they found. Discussion on Youth Mentor and how that isn't addressed in the plan, but want to look at other mechanisms or agencies to help start that up.
