Type of Well: Domestic Well Ag Well Municipal Well

I am interested in volunteering for the following types of activities:

- Mapping of irrigated acres for accuracy within the GSP and well locations
- Potential site for a stream gage installation
- Groundwater Winter Recharge study
- Drainage Recharge Study
- Juniper Recharge Study
- Flow meter replacement or installation of observation equipment
- Satellite telemetry groundwater level monitoring equipment

For more information, please contact Tiffany Martinez at (530) 233-6201.
