File No.: Initial Study #2020-003
Project: Proposal for a Minor Amendment to the vested Hwy 36 Mine (Resolution No. 05-01-10) and reclamation plan for 9.2-acre construction aggregate surface mine. A portion of the proposed site is not included in the vested portion of the mine.
Zoning: The subject parcels are zoned TPZ Timber Production Zone (vested portion) and U-C-2 Upland Conservation/Resource Management District (non-vested portion) and are designated Extensive Agriculture by the Lassen County General Plan 2000.
Location: The project site is located in Lassen County approximately 7 miles west of Susanville via Highway 36, near Devil's Corral.
A.P.N.: 115-200-055, 115-200-032
Staff Contact: Cortney Flather, Natural Resources Technician

Pursuant to the California Environmental Quality Act, Lassen County is the Lead Agency for the project identified above and is preparing a Mitigated Negative Declaration stating that there is no substantial evidence in the record, as currently filed, which indicates that the proposed project (considering proposed mitigation measures) may have a significant effect on the environment.

The public review period for this project has been established from June 17, 2021 to July 17, 2021. Any comments you may have regarding this proposed Mitigated Negative Declaration must be submitted to the Lassen County Department of Planning and Building Services prior to the end of the review period. The proposed Mitigated Negative Declaration and Initial Study for this project are available for inspection at the Department of Planning and Building Services at the address given in the header above, as well as online at: http://www.lassencounty.org/dept/planning-and-building-services/environmental-documents-noticing-and-attachments

If you have any questions concerning the project, please contact Cortney Flather, Natural Resources Technician, at (530) 251-8269.

Sincerely,

Maurice L. Anderson,
Environmental Review Officer
